<b>Outline of Competition logistics</b>	A regional competition which attracts some very high standard athletes. The top level is like a World Cup but the depth is not the same with fewer starts than a World Cup. Good match for the first International of the season.

<b>Outline of travel and accommodation logistics</b>	All organised through WGT and British Shooting as this was a GBR representative event.												
<b>Outline of Competition logistics</b>	World Cup standard equipment control procedures meant that this, being the first such event of the year, resulted in some angst for the participants as the officials were implementing new interpretations. Jen ended up having to cut the waist seams of her trousers.												

	The matches and finals run as they would be in a World Cup. Very good competition.

## Programme Administration

Along with three of the discipline coaches I attended the CGS Staff Camp on 10<sup>th</sup> & 11<sup>th</sup> January, where much useful work was done. The Minister for Commonwealth Games and Sport visited the refurbished range at Meadowbank and was welcomed by a number of our athletes and staff.
