ISSF Junior Cup	
Discipline	All ISSF
Dates	25 th June – 2 nd July 2015
Venue/Country	Suhl, Germany
Results	<p><u>Double Trap</u> Max Jeffrey; 28/28/28/24/27 = 135 7th place overall 136 for final</p> <p>GB was reported domestically as having won the Double Trap Team Gold, however this was not reflected in the officially published results. An administrative mix-up between the organisers and the team management meant that the composition of the British team was not registered prior to the start of the competition, and despite there only being three GB shooters present, the team was not included in the results. The ISSF have subsequently acknowledged their part in this by awarding the team diplomas and medals, but they are not listed on the official results as published.</p>
Outline of travel and accommodation logistics	British Shooting organised.

Outline of Competition logistics	All according to ISSF rules

British Commonwealth Rifle Club Meeting	
Discipline	Fullbore
Dates	27 th – 8 th June 2015
Country/venue	Bisley, England
Results	<p>There were around 80 entries for each competition, but only 62 for the whole weekend. The quality of the field was very high and the winning scores at both short and long range were excellent.</p> <p style="padding-left: 40px;">India (500 yards) – Ian Shaw 7th Africa (500 yards) - Sandy Walker 2nd Australia (900 yards) - Sandy Walker 8th Falkland Islands (1000 yards) – Sandy Walker 5th New Zealand (1000 yards) – Ian Shaw 2nd, Sandy Walker 3rd Ceylon Agg (Long Range Agg) - Sandy Walker 1st Open Champ (overall Agg) - Sandy Walker 1st, Angus McLeod 24th</p> <p>Ian Shaw was disqualified on a technicality in the Falkland Islands. Although being allowed a reshoot, the committee then disallowed the reshoot as it was after everyone else had finished. (Ian's score would have won the competition!). This meant that Ian was not placed in the Grand Aggregate.</p>
Outline of travel and accommodation logistics	Ammunition was supplied by the BCRC for all competitions and was of the same make as to be used in the NRA National Championships in July. Travel/accommodation/entries were paid by the athletes.
Outline of Competition logistics	<p>All competitions were fired in squaddled groups of 3, other than for the two shoots at long range where 15 shots to count were fired: for these competitions, squadding was in pairs (as per the CG).</p> <p>Saturday: 2 sighters and 10 to count at 300/500/500 and 2 and 15 at 600 yards.</p> <p>Sunday 2 sighters and 10 to count at 1000 yards 2 sighters and 15 to count at 900 and 100 yards</p>
