[REDACTED]

7th August, 1974.

Dear

I enclose the full score sheet for Sunday along with the team selections made in accordance with the published bases. Whether or not you have made any teams this year I would like to thank you for your support of the trials and trust you feel your own confidence and shooting have improved as a result of these meetings. Thanks are also due (yet again) to the wonderful work (and weather) provided by the Aberdeenshire members and to those Council members who have attended the trials even although not shooting in them themselves.

The work of the 1974 Squad is not completed by any means. It will form the backbone of the 1975 Squad and Adam will be running a training programme through the winter to keep all in touch. The idea is to run a pairs indoor league, partners to be fixed by Adam, one match of 2 x 10 shot cards each member every fortnight. This will not guarantee you a place in next year's squad but the regular competitive training against individuals should sharpen your edge for the new season's trials. Anyone who will find it impossible to take part in this important programme should advise Adam (18 Stronsay Drive, Aberdeen) or me at an early date.

I look forward to seeing you all at Aviemore where there is likely to be a slightly novel Association competition for your enjoyment.

Yours sincerely,

Bob Normand  
Secretary.
