Heartiest congratulations are due to both the North Island team and to Mrs. N. Barlow for equalling respectively the previous match record of 5924 and recording the second only clean 400 in the eleven match history. Mrs. Barlow now shares that distinction with our own Alister(Jock) Allan and she has appeared in every match except 1983.

The series now stands at 6-5 Scotland and the gauntlet has been most dramatically thrown down for the 1985 match.

Secretary, S.S.R.A.
