* WF Hamilton and C DeJonckheere tied in 4th place in the prone trial. It was decided after discussion with the trialists, but without disclosing names or scores, that a further English Match should be shot by these two trialists only and they returned to Linwood on the following Tuesday evening. In the further English Match both again had the same score, 587. This tie was settled by countback, declaring WF Hamilton the 4th member of the prone team for the Mini-Games with GJB Winch, WA Murray and JN Knowles.
