Message from the Mayor of Ards

As Mayor of the Borough of Ards I am delighted that the Borough has been selected to host the Shooting (Smallbore) International Match which is part of the Gilbeys Ulster Games 1992.

It is most encouraging to find representatives from England, Scotland, Wales, Republic of Ireland, Isle of Man, Belgium and Jersey travelling to take part in this prestigious event.

I hope that during their stay the international visitors will have an opportunity to visit some of the many attractions of Strangford Lough and the Ards Peninsula and on their return home act as ambassadors for the Borough of Ards and Northern Ireland.

This is the 9th Annual Festival of International Sport and it would be remiss of me if I did not congratulate Gilbeys of Northern Ireland Ltd., Sports Council for Northern Ireland, Ulster Games Foundation, the governing bodies of sport, participants and not forgetting the spectators in helping to make the Gilbeys Ulster Games such an important event in the sporting life of Northern Ireland.

DAVID F. SMYTH
Mayor - Borough of Ards
