

S.T.S. Speedway Competition 2023

Postal Stage Results

C&D Speedway:-

Only five sets of scores were submitted by shooters in classes C & D.

Two points separated the top three competitors!

It is hard to justify running a full scale shoulder to shoulder final for just five entrants, so the winner of the Boston Bowl has been selected from the postal stage. Please encourage more of your C & D clubmates to take part next year, so that we can hold a proper final alongside the A & B shooters!

The top sixteen qualify for the final at Balerno & Currie Ranges on Sunday 5th March. More detailed information is being sent out to the relevant shooters.

I have been notified that Sinclair Bruce and Frankie Calder are unable to attend the finals. Steven Dalgarno, as first reserve, is therefore promoted into the final. If there are any further withdrawals before the day Davie McKenzie, then James Shepherd will be invited to take their places alongside the other successful qualifiers,
